Madam/Sir,

I am to enclose herewith a SoP for construction of new toilet blocks under CSAP-3A, in accordance with SBM 2.0 guidelines. This SoP must be strictly adhered to for the implementation of new toilet blocks (both Community Toilets (CTs) and Public Toilets (PTs)) by the Municipal Corporation and Municipalities.

Before the roll out of this SoP, a meeting will be held with the Nodal Officers and Nodal Engineers of the Urban Local Bodies (ULBs) from all ULBs in a phased manner. The schedule for this meeting will be shared shortly.

In case the estimated cost for a CT or PT exceeds the admissible amount as per the revised guideline issued under SBM 2.0, the additional cost (if any) is to be borne out of the **15 Finance Tied Grants. Sustainable operation and maintenance of the CTs and PTs at the desired standards must be ensured.**

For any further query and clarification required please contact Shri Souti Majumdar (Mob no.9903036907). All the proposals regarding construction of new toilet blocks are to be submitted at proposals.csap3a.wbsuda@gmail.com.

Matter urgent.

Yours faithfully,
Addl. Director, SUDA
