Note # 5

Note#1 referred.

Sketch plans as provided by U.S Dept., are considered.

According to the skectch plans, it is found that all the urinals are situated by the

side of public road.

The matter has also been discussed with U.S Dept. and it is learnt the urinals are situated on the footpath.

Roadside footpaths are also a part and parcel of road and hence are of K.M.C.
