Date : 23 / 03 / 2026

To : The Chairman,  
Jalpaiguri Municipality,  
Jalpaiguri.

Sub. : Prayer for Construction of Toilets & Latrines for Students of Arabinda Madhyamik (H.S.) Bidyalaya under Jalpaiguri Municipality.

Respected *Sir*,

With proper salutation, this is to state that our **Arabinda Madhyamik (H.S.) Bidyalaya** is the only Co-Education school under Jalpaiguri Municipality and students from low income group families come to our school. In our school there is an urgent need for construction for Toilets and Latrines for both male and female students of our school.

In this connection, this is further to state that there is land-area available within the school campus for the construction of the proposed Toilets and Latrines for the use of both male and female students of our school. The school authority has no objection if Toilets and Latrines for the use of both male and female students are constructed by the Jalpaiguri Municipality authority at the designated space in our school compound.

The details of the Land of our school are furnished hereunder for your kind perusal.
