

To  
SRI JOLY CHOWDHURY WBCS (EXE)  
ADDITIONAL SECRETARY UD & MA DEPARTMENT  
DIRECTOR SUDA

**Subject: Urgent Request for Approval of 48 Pending ODF Projects**

Respected Sir,

This is to your kind attention the urgent matter regarding the pending approval of 48 ODF projects submitted by our Municipality.

Despite repeated follow-ups, the approval is still awaited. Most of the schools and other institutions are suffering due to the extremely poor condition of their toilet infrastructure. These institutions have been continuously requesting us since last year regarding the commencement of construction work. The inordinate delay has placed the Municipality in a very embarrassing position as we are unable to provide a satisfactory response to the concerned school authorities, teaching staff, and students. I therefore earnestly request your immediate intervention and support in approving these 48 pending projects at the earliest, so that we may proceed with the further tendering works without further delay. Your prompt action will be highly appreciated.

Thanking you,

Your Sincerely

**Chairman**  
**Halisahar municipality**
