Dear Sir/Madam,

I am writing to propose the construction of 9 Public Toilets in different areas of Dinhat Municipality under the project of "Swachh Bharat Mission Urban 2.0 (S.B.M.-U 2.0). This initiative aims to improve sanitation facilities and promote cleanliness in our Municipality.

The proposed toilets will be constructed in strategic locations to ensure maximum accessibility and convenience for the residents. Our municipality has identified the need for improved sanitation facilities, and this project will significantly contribute to achieving this goal.

We kindly request your approval and support for this project. We are confident that the construction of these toilets will have a positive impact on the health, hygiene, and overall well-being of our residents.

Please let us know the necessary steps and procedures to be followed for the implementation of this project. We appreciate your time and consideration and we look forward to your response.
