Sub: Maintenance of the toilet block in
Arambagh Girls' Jr Basic School.

Respected Sirs,

With due respect I beg to state that the school will maintain the toilet cum urinals block regularly if you sanctioned the two toilet cum urinal blocks in our school.

Presently our number of students is 793 (Seven hundred ninety three). I have no sufficient toilets cum urinals blocks in our school.

So, I request you to do the needful for the benefit of the students and oblige.

Thanking you.

yours faithfully.
