Sub : No Objection letter for the construction of toilet.

Respected Sir,

I , Shri Santanu Mallick, Head Teacher of Ramprasad Vidyapith Primary School, am informing you that at present a total number of 420 students are studying in the school. Currently the students are facing problem due to lack of sufficient toilets in school premises.

If the toilet is constructed on the vacant land on the eastern side of our school, there will be No Objection from our school.

On the above circumstances, I request you to construct a toilet in the empty space in our school premises, it will be very beneficial for the students. We will be highly obliged and grateful to you if you kindly look into the matter on urgent basis.

Thanking you –

Yours sincerely
