Memo No. LB/11/MLD/471

To,
The Chairman,
English Bazar Municipality,
P.O.+ Dist.- Malda.

Sub: Intimation about deficiency of toilet complex, therefore request for construction of ladies and gents toilet in Institute campus of Govt. ITI Malda

Sir,

In connection with the above issue this is for your kind intimation that this Institute is in lack of adequate toilet complex. There is only one toilet in this campus but it becomes unhealthy and unhygienic during gathering of outside students/ trainees in different programmes. At present, various kinds of public welfare events, Govt. works, election activities, Job Fair, Apprenticeship Mela etc. are held in this Institute. Situation becomes then worse to the worst due to huge gathering of outsiders, which makes health risk to our trainees and creates an uncomfortable environment.

Under the above circumstances, you are requested to take necessary action for construction of one toilet for both: ladies and gents in Institute campus of Govt. ITI Malda.

Your co-operation in this regard is highly solicited.

Thanking you,

Yours faithfully

Principal
Govt. ITI Malda
