Subject: - No objection for built up Institutional Toilet in school premises for our students.

Respected Sir,

I have the honour to let you know that our school facing a lot of trouble due to lack of institutional toilets. It is fact our school is with H.S. along with voc. stream about 1400 students are standing there. At this moment students are suffering for lack of toilets. In this regard I pray to you for taking necessary steps against the lack of toilets. It is noted that the school authority will take the necessary responsibility to clean the toilet, If it built up in school premises so many students are benefited for that project and regarding this the school authority have no objection about it.

Thanking you.

Sincerely yours
