Sub: Prayer for public-toilet in our school campus.

Sir, With due respect and humble submission I, the undersigned, beg to inform your kind self that in our school, we nowish more than 1850 students (boys & girls). A large number of guardians also wait outside the school to take their wards way back home. We have a minimum number of urinals and lavatory within our school campus which are insufficient in regard to our necessity. Even the guardians especially the mothers can't use toilet.

Under such a situation, your magnanimity is requested fervently to kindly arrange a public-toilet in our annex building so that both the students and the guardians can use it. We also assure you that we will take the liability of its maintainance after it is made.

Thanking you,

Faithfully yours,
Dipankar Mandal
