Sub: Prayer for setting up A Toilet Complex at Birbhum Zilla School.

Sir,

I would like to draw your kind attention to the fact that we direly need a New Toilet Complex at our School Campus or adjacent to the school buildings for the use of our students ,increasing day by day. Our old toilets are not sufficient in numbers as per the need of the staff and students.

I, therefore, request you to provide A New Toilet Complex for the interest of the students.

Looking forward to your active cooperation and necessary action.
