

Government of West Bengal  
Office of the Addl. Superintendent of Police (HQ)  
Birbhum

Memo. No. 1245 / RS

Date: 23 -06-2025.

To  
The Chairman  
Suri Municipality  
Suri, Birbhum.

Sub: Proposal for installation of 01 Unit bathroom cum toilet at the premises of Suri Police Lines located within Suri Municipality area (**Khatian No.2673 G.L No.102, Dag No.1664 & Mouja-Sonatore**).

This is to inform you that as many as 500 (Five Hundreds) Police personnel including Lady Police Personnel are deployed at Suri Police Lines located within Suri Municipality area (**Khatian No.2673 G.L No.102, Dag No.1664 & Mouja-Sonatore**). Currently, the existing toilet facilities are severely inadequate to cater to the daily needs of the considerable number of police personnel residing and working with in the Police Lines. This deficiency leads to significant inconvenience, poses serious hygiene challenges, and impact the overall well-being and moral of our dedicated Police Personnel.

To address this critical issue, I propose the installation of 01 Unit bathroom cum toilet at Suri Police Lines. These new facilities are essential to ensure a basic standard of hygiene and comfort for our personnel, who are tirelessly committed to maintaining law and order in the district.

Thank you for your prompt consideration of this urgent request. I look forward to your positive response and a swift resolution to this matter.
