Sub:- Prayer for students' toilet

Sir,

With due respect I would like to inform you that there is only one common toilet in our School for the students.

As the toilet is situated behind the school building, it is unsafe for the students especially the girls to use.

So I request you to construct separate toilets for boys and girls in front of our school. There is adequate space in front of our school to set up toilets. The plot nos and Khatian no of our School are accordingly 13173, 13187, 13174 and 14304 under J.L. no- 101, Mouja - Bishnupur municipality. We will bear all the maintenance cost of the toilet after the construction.

I shall be highly obliged if you kindly take immediate necessary steps to construct separate toilets considering my prayer for the benefit of the students.

Thanking you,

yours faithfully

Rina Panja
