To,

Kalimpong Municipality,
District Kalimpong.

Subject: Prayers for the new construction of School Building and separate Boys and Girls toilet.

Respected Sir,

I on behalf of students teachers and school management would like to lay down following lines in favor of your kind information and sympathetic necessary action that Indo Tibetan H.S School is located nearly three kilometers away from the heart of the town, within the jurisdiction of Middle Bong Busty the school was established in the year 1960 with sole motive to uplift educationally deprived refugee children of Tibetans, whose parents were migrated to India during China invaded Tibet in 1950. At present school is running successfully from pre – primary to grade 12th standard wooden constructed school is in dilapidated condition which may welcome disaster anytime, because of co – education school is in dyre need of pucca toilet separately for boys and girls.

Many times same matter has been put forward to higher authority in G.T.A. but any action has not been taken by the concerned authority till now. School management is now facing hardship to run school smoothly.

Considering the above grievance of school, I earnestly request you to extend your hand of support and take immediate necessary action so that the long standing grievance of school may be fulfilled.

Thanking you,

A.E.
