SUB: APPLICATION FOR TOILET GRANT

Sir,

With due respect it is requested that our School may please be given toilet grant as our School is not having any functional toilet at present (no water supply, no electrical connection). The lack of toilet facilities has been a long standing issue affecting the health and hygiene of our student, and teaching and non teaching staff.

Further it is stated that the present strength of the student is 80 (Eighty) and five no's of teachers (Three female two male) two non teaching staff (Two female). Our school belongs to Mouza no 369 (HATABARI) DAAS NO- 444 KHAFIAN NO- 196. Again it is stated that we have no objection for the construction of toilet.

Thanking you for your kind anticipation and our School may please be granted with toilet grant at an early date.
