Sub-: Request for Construction of School
Toilets.

Respected Sir,

With due respect I, the undersigned, would like to inform you that our School currently has 101 students. At present our sanitation facilities are insufficient which significantly affects the hygiene. So it is mandatory to provide toilets for our students.

I would also like to specifically bring to your attention that our school campus has sufficient vacant land available for this construction.

Therefore I request you to sanction a toilets for our students.

Here I attached the necessary documents

Thanking you.
