**Sub.: Submitting proposal for construction of Toilet Block for Public utility in the premises of Contai Sub Divisional Hospital, at Darua under Contai Municipality.**

Sir,

As you are aware that Contai Sub Divisional Hospital is a leading health care institution which falls under your jurisdiction and it covers large population area including Contai Municipality. So, a huge no of patients and patient relatives come to this hospital for getting OPD & IPD Services round the clock regularly.

In this context, the undersigned would request you to arrange for construction of two (02) new Toilet Blocks (in-front of Matri Maa building & opd complex near Maa canteen) for the public utility (patients & patient relatives) in the premises of Contai Sub Divisional Hospital.

Required space & electrical power will be provided in the premises from this end.

I have no objection for the above stated project.

This has approval of the competent authority.

Thanking you.
