Sub: - Application for a sanitary toilet.

Respected Sir,

In this application I would like to draw your attention to the fact that in Lalbagh Samity there is no arrangements for Sanitary toilet. Therefore, I convey a prayer to you for providing the club with a sanitary toilet. It will help not only the members but also the children, athletes and players who are an integral part of our beloved club.

I respectfully request you to please take necessary steps of my prayer which will draw my gratefulness towards you. With lots of positive hopes.
