Sub; - Prayer for a Toilet for the players.

Dear Madam,

We are happy to inform you that a Mini Indoor Stadium has been set up in our club with the financial support of the North Bengal Development Department of the Government of West Bengal for the development of sports. A large number of players practice in this stadium every day. But there is no proper toilet for them. Therefore, it is our humble request to you that, if a toilet is provided with the financial support of the Municipality, the players will be benefited. Club management will maintain this toilet.

I hope you will kindly accept this application and express our gratitude.
Thanking You.
