Sub:-Prayer for a public toilet and Latrine in our school football Ground.

Sir,

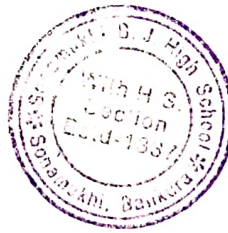

With due respect I, the Headmaster of Sonamukhi B.J. High school,would like to inform you that we have a playground under Sonamukhi mouza.J.L no 85,Khaitan no 3342,P.S Sonamukhi dt-Bankura. Our students regularly play in the school ground. Besides our Annual Sports,Zonal sports, Sub-divisional sports and various cultural programmes are held in the football ground.

Due to unavailability of toilet and latrine we are facing a lot of problems for peeing.Students, teachers and the spectators can not respond to nature's call.

Therefore, on behalf of all the students, teachers, guardians, members of M.C and local people, I would like to request you to grant funds for constructing of public toilet and latrine in the school play ground.

Thanking you.

Yours faithfully
