Baidyabati Municipality

Sub:- Application for new toilet facility in Mandir premises

Sir,

I would like to inform you that the State Urban Development Agency has sanctioned construction cost for public toilet. We, the members of Gobinda Seva Samiti are longing for the same for a long time. We are actually looking for your support for constructing a toilet in our Mandir premises. It would be appreciable if you can arrange the construction of toilet in mandir premises under your guidance.

We are assuring you that the maintenance cost of that toilet would entirely be incurred upon by the Mandir authority. In addition to this, the neighbours of Mandir shall have no objection if a toilet will be constructed in Mandir premises.

We will be obliged if you approve this construction program for our mandir premises.

Thanking you ,

Yours faithfully,

*Manas Kanti Chaudhuri*
