**Sub :- NOC regarding the construction of toilet for patient party at
Memari Rural Hospital, Memari-I, Purba Bardhaman.**

Sir,

The undersigned would like to inform you that our 100 bedded additional ward is functioning since 1st July 2025. Therefore, patient load is increasing day by day. So there is a huge gathering of patient party at the hospital premises for all the time.

In this circumstance, construction of a public toilet is urgently necessary for the patient party's convenience. We have already selected a suitable area for toilet construction that is just beside the new DG set in front of 100 bedded additional ward building. Also, there will be 'No Objection' from our end if you take necessary action for construction the said.

Thanking you.
