**Re: Request for build up a tent with toilet facility in our Samity Play Ground from ODF Fund.**

Sir,

Greetings from Nimta Sahid Khudiram Pally Seba Samity !

We are drawing your kind attention on the matter that our Samity has been running a Football Camp with more than 80 child boys and girls for a long period of time. There are 3 (Three) "D" License holder Coaches in our Samity who are training them well and we provide all the facilities to the students related to training at completely Free of Cost with our own expenses. There is only one thing which we are unable to provide them is a covered Tent with toilet in playground for the students as well as for their parents due to monitory crisis.

As, you can understand that after meeting all the expenses there left nothing in our hand to build up such a tent .

We are requesting your goodself that if you arrange to build up a tent with toilet facility at our playground **from your ODF Fund** for those students , we will be very great full to you for that noble cause.

Thanking you,

Yours truly,

For Nimta Sahid Khudiram Pally Seba Samity
