Subject: "No Objection Certificate" for Construction of a Community Toilet behind Victoria Jute Mill Workers' Line No. 7, Ward No. 15

Respected Sir,

With reference to your Memo No. 080 dated 07.01.2026, we wish to inform you that, considering public interest, hygiene, and sanitation requirements of the locality, we have no objection in principle to the construction of a Community Toilet behind Victoria Jute Mill Workers' Line No. 7, Ward No. 15, by the Bhadreswar Municipality.

The said location falls within land enclosed by the compound wall of our mill premises. However, in view of the existing public utility and the needs of local residents and workers, this consent is being conveyed purely as a special and one-time consideration, without creating any precedent or right.

It is hereby clarified that this "No Objection" is subject to:

1. Submission of detailed construction drawings, site layout, and outlet/drainage plans by the Municipality for our review and record prior to commencement of construction.
2. Confirmation that the construction, usage, maintenance, and drainage of the proposed Community Toilet shall be entirely under the responsibility of Bhadreswar Municipality, and shall not cause any obstruction, liability, or future inconvenience to the mill operations or premises.
3. Assurance that no further construction, extension, or permanent right over the said land shall be claimed by any authority or third party on the basis of this consent.

This consent is being issued in good faith and in the interest of public welfare.

Thanking you.
Yours faithfully,
For RDB Textiles Limited
