Subject: Request for Construction of Toilet Facilities for the Share Girls' Football Academy

Respected Sir,

I, the undersigned, would like to draw your kind attention to an urgent requirement of the Share Girls' Football Academy located at the old Sutherland Primary School building, SUMI compound.

The academy has been sincerely working to promote sports and physical fitness among young girls of Kalimpong & Darjeeling District, helping them build confidence, discipline, and teamwork. However, the absence of proper toilet facilities within the academy premises has become a serious concern.

As the number of participating girls continues to grow, the need for a clean and dedicated toilet facility has become essential for maintaining hygiene, safety, and dignity. At present, the students face considerable inconvenience due to the lack of adequate sanitation arrangements.

In this regard, I humbly request you to kindly take necessary steps for the construction of a toilet block for the Share Girls' Football Academy at the earliest. Such an initiative would not only address a basic necessity but would also stand as a visionary step on your part toward empowering young girls and strengthening sports infrastructure in our region.

I sincerely hope for your positive and sympathetic consideration of this matter.

Thanking you.

Yours faithfully,

*N. M. Lepcha*
