**Subject: No Objection Certificate (NOC) for the construction of a public toilet within the Monastery premises.**

Respected Sir,

We, the undersigned members of the Monastery Management Committee, are writing to formally communicate our decision regarding the proposed sanitation project for our locality.

Recognizing the need for better civic amenities for both the devotees and the general public visiting this area, the Monastery has decided to provide a portion of its land for the construction of a public toilet. We believe this initiative will significantly improve hygiene and convenience for the community.

By way of this letter, we hereby issue our **No Objection Certificate (NOC)** for the commencement of the construction work by the Municipality within the designated area of the Monastery premises. We request the Municipality to ensure that the construction and subsequent maintenance are carried out in a manner that respects the sanctity and daily activities of the Monastery.

We look forward to your positive action in this matter for the benefit of the public.

Yours sincerely,

  
Passang Dorje Lama  
(General Secretary)
