**Sub: No Objection for Construction of Bathrooms in the School Campus**

Respected Sir,

This is to inform you that the school authority has no objection regarding the proposed construction of bathrooms within the school campus.

We strongly believe that this facility will greatly benefit the students and contribute to maintaining proper hygiene and sanitation within the institution. The construction of bathrooms will enhance the overall environment of the school and support the well-being of all students.

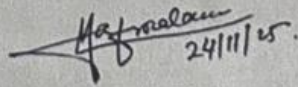

Therefore, you are kindly requested to take necessary steps in this regard at your earliest convenience.

We shall be highly obliged for your cooperation.

Thanking you,

Dated: 24/11/25

Yours faithfully,
