Sub: Prayer for Toilet for school.

Respected Sir, With due respect and as per your office order school wish to submit a prayer for construction of a Toilet in favour of our school. School has sufficient space for the construction of Toilet and own building and school will also submit all relevant document for this purpose along with school land details. I do hereby also declare that school will maintain all cleaning and repairing (if require) of Toilet in future and so will no any objection regarding the matter. School looked after the Toilet after construction in future. Sir our school having more than 150 students and it is urgently require a Toilet for the benefits of students. I, therefore request you to kindly accept my prayer and takes necessary action to construct a new Toilet in favour of the school which will be very helpful for the benefits of the Primary Education System (Govt of WB) as well as for the students and oblige me.

Thanking You

Yours faithfully
