Respected Sir,

With due homage and respect to your highness I beg to draw your kind perusal to get you informed of our severe crisis that though we have introduced English Medium Section at Arambagh High School compund , we have been unable to set up a Grand Toilet Zone for more than five hundred students reading in English Medium Section and more to inform you that our Bengali Medium Section has more than 2700 students and we need more Toilet Zone even for them also.

Under this critical crisis I cannot but appeal to your highness to set up a Grand Toilet Zone for the students as early as possible.

Thanking You,

Yours faithfully,
