To  
The Executive Officer,  
Bhalpara Municipality,

Sub:- Prayer for Latrine and Toilets.

Sir,  
With due respect, I wish to inform you that we have only one toilet for 159 students (78- Boys, 81- Girls) without proper drainage system. This year there is a chance of inclusion of class V, so our total no. of students may increase next year. There is a vacant land (150 sq ft around) on the left side of our school. Hence, I would like to request you to provide us with toilets for our beloved students. Thanking you,
