Sub - Prayer for extra toilet for girl students

Sir,
with due humbleness, I, the undersigned, want to lend your ears that in our co-educational school there is insufficient no. of toilets & the functional toilets are also not in upto-the-mark condition. So if at least 2/3 toilets for girls are made for them, it would be good for our school.

Therefore, I implore to your kind favour to grant the at least 2/3 toilets for the girl students to oblige me.

Thanking you,

Yours faithfully,

Kanku Das. 11/07/2019
