Subject: Request for Construction of 4 Sanitary Toilets in Reserve Bank Colony (Chak Musalman Para, Word No 17)

Dear Sir/Madam,

I am reaching out to highlight the necessity of establishing 4 sanitary toilet facilities in our area, Reserve Bank Colony (Chak Musalman Para, Word No. 17). Our aim is to utilize The State Government's Facility to enhance the overall hygiene standard in our area.

We kindly urge the Municipality to consider building well-maintained sanitary toilets in our community building area, as it serves as a venue for social and cultural gatherings throughout the year. This will offer a clean and accessible facility for everyone, particularly for women and children, while greatly enhancing the sanitation standards in our locality.

We are confident that your prompt attention will greatly benefit the health and well-being of the community. We would be happy to discuss this matter further at your convenience.

Thank you for your consideration.

Details of the location designated for the construction of sanitary toilets are provided below:

- Plot No : 7
- DAG No : 932
- Khatian No : 528
- Mouza : Chak
- JL No : 1

Sincerely,

RESERVE BANK EMPLOYEES
