**Sub:- Prayer for construction of new Toilet**

Respected Sir,

I would like to inform you that Rathtala Fingapara Girls' High School has not sufficient toilets for the girls' students. Since the school has enough space for the construction of new toilet, I am applying for the same. The students would be highly beneficial if our requirement of new toilets is fulfilled.

I would be highly obliged to you if you kindly accept my prayer for construction of new toilets at our school and do the needful at your end.

Thanks & Regards.
