Sub:- Prayer to Grant Fund for constructing school bathroom

Dear Sir,

Our school is in desperate need of a few new bathroom facilities with proper water supply connection. We desire to provide a clean and safe environment for all who visit our school and we believe that having a well maintained bathroom is essential for the health and well-being of our students and staff too. We have more than 1600 students and 50 school staff in our organization. The present washroom facility is insufficient to accommodate all. Unfortunately our budgetary allocation is insufficient. To construct new ones. Therefore I pray for your guidance and wisdom as we seek funding to construct new bathrooms. We ask for your favour and provision in this regard so that necessary fund can be allocated for us from your end. We trust in your abundant grace and we have faith that you will take appropriate action for our needs.

Regards
