Subject : PRAYER FOR REQUISITION OF SANITARY TOILET .

Sir,

With due respect, I would like to inform you that I am Radhekrishna Mahato, Head teacher of Thingur F. P. School under Banihari Circle, P.O. Buniadpur, Ward No. 12. Dist. Dakshin Dinajpur. There are six teachers - 2 male teachers and 4 female teachers and number of students of my school is 180 - 93 boys and 87 girls. It has single toilet which is not fit for use. Because of this distressed condition, we the teachers specially female teachers and the girl students are in very shameful position for using this same toilet. Whereas the Govt. has given an order that each school must have toilet and latrine separately for the boys and girls students even for the female teachers also. So we are in very urgent in need of a sanitary toilet as mentioned above in the subject.

I, therefore, shall be highly obliged to you if you kindly take necessary step as soon as possible for the same.

Thanking you,

Yours faithfully,

Radha Krishna Mahato
