sub: "Application for Community toilet"

Sir, This is to inform you that there are about 1250 students in our school at present. Guardian come to school to drop their children. Sometimes they are facing some issues for not having proper washroom. For this reason if you kindly arrange a community toilet in our school premises, this problem may be resolved.

Please do the needful.

Thanking you,

yours faithfully,

Rina Roy 13.3.25
