Sub: Prayer for construction of toilets for students(Girls and Boys).

Madam,

This is for your kind information that our school, situated at ward no. 10 of Tufanganj Municipality, is an old well-known higher secondary school. Our school has toilets of very poor condition for the students and we don't have fund enough to repair them. At present, our school lacks adequate and hygienic toilet facilities for boys and girls.

So, it is our urgent need to arrange for toilets for our students and you are, therefore, requested to arrange for toilets (Boys & Girls) as early as possible. Your kind consideration will be highly solicited. I assure you that after the construction of the toilets, we shall maintain them ourselves. Our land information is stated below.
