Sub : Requisition for new **Toilet Block** in the college premises.

Respected Sir,

I am to inform you that around 3,000 (Three Thousand) students study in our college. Though we have toilets for the students but these are not sufficient enough for such a huge number of students for daily use. Therefore, I request you to provide a Toilet Block to be used by the students so that the inconveniences faced by them may be avoided.

This is for your kind information & early action.

Thanking you in anticipation,

Yours faithfully
