Sub- Prayer for Sanction of Grant for constructing Two pair(02) gents toilet for Male Staff of the school.

Sir,

With due respect I, would like to draw your kind attention towards the hellish conditions of toilet of students of the school. The old one is not in proper condition and it is a place of breeding mosquitoes and other germs . Foul smell makes our life miserable. We are running out of funds even to repair the same . We have 47+ male teaching and non-teaching staff in the school.

In this regard I would appeal to you to look into the matter seriously and sympathetically and sanction some fund to construct gents toilet in the school premises to maintain hygiene.

Thanking you in anticipation of a favourable response at your early convenience.

Yours faithfully
