Sub :--Prayer for a community toilet in our school-campus.

Madam,

Most respectfully I beg to state you that our school was established in 2008 in the remote area of Nripenpally (Ward no. 12) in your municipal area. Though our school has its main building and partially boundary wall, but there is no toilet for our staffs till now. Recently the "Amader para amader samadan" camp took place in our school on 2nd August, 2025 where everyone felt the necessity of presence of a community toilet in our school premises. Our all staff also have no objection in this matter.

Our school has sufficient place for building of such toilet. The details of our school land is given below :-

1. JL No. : 395
2. LR plot No. : 675
3. R.S. plot No : 516
4. Khatian No : 1

So, I request you to be kind enough to take steps to build a community toilet in our school-campus at your earliest conveniences, and oblige.

Yours faithfully,

Jhargram,
