Sub:- Prayer for implementation of toilet in school

Respected Sir,

May I be excused to draw your kind attention to the following. I, Moumita Mukherjee (**H.M. of the Institution**) want to place a humble request on your table on behalf of **Vivekananda Sishu Niketan**. My humble submission is that the number of toilets in our school is very less compared to the number of students. As a result of it, the students are facing problems and also feeling uncomfortable. We assure that we will be up to the mark to maintain it in the interest of the students

The students will benefit greatly if you arrange to set up one toilet for boys and one for girls.

Please consider my prayer and oblige. Your co-operation is highly solicited.

Thanking you,
