Sub: " Revised requisition for Toilet Grant ."

Dear Sir,

With due veneration and humble submission I , Naresh Chandra Halder , the Headmaster of this School want to draw your kind attention regarding the construction of a Toilet for maintaining the good health and hygiene of the students . There are more than 1200 students in this School and it is a Co-Educational Institution but there is no sufficient toilet for the students in this school.

Moreover, I want to draw your kind notice to the fact that the majority of the students of our school are minority and poor. The students come from the remote and distance areas of M-J Block like Hasnabad, Shasidharpur, Bhatpara, Kalikapur, Ramdaspur, Jafrabad, Kapasdanga, Jhilpar, Nakortala, Panditbag, Nehalbagh, Nasipur, Kathgola, Badkul etc. in addition of the ward nos. 11, 12, 13, 14, 15, 16 of Murshidabad Municipality and most of them are first generation learners of the economically and socially backward families .

Under this circumstances , it is very necessary of our school to build a toilet for the bonafide students. You are requested to be kind enough to allot a toilet grant in favour of our school for the above purpose.

Your kind co-operation is highly solicited.

With thanks and regards.

Details of land is given below:
