Sub: Prayer for Toilet for school

Respected Sir,

With due respect and as per your office order the school wants to submit a prayer for construction of a Toilet in our school. School has sufficient space for the construction of Toilet and will also submit all relevant documents for this purpose along with the school land details. I do hereby declare that school will maintain the cleaning and repairing (if required) of Toilet in future. Sir, our school having more than 1100 students (co-ed), existing toilet is not sufficient and more toilet is urgently required for the benefit of students.

I, therefore, request you to kindly accept my prayer and take necessary actions to construct a new toilet in our school and oblige us.

Thanking you.

Faithfully yours,
