To,
The Executive Officer,
Naihati Municipality,
Naihati,
North-24-Parganas,

Subject: Prayer for Toilet for School.

Respected Sir,

In reference to the subject mentioned above I would like to request your kind self to construct toilet inside our school premises. Our school has enough space for construction of toilets. Since it is a very old building the existing toilets are not suitable to use. We can produce all necessary relevant documents required for this purpose. School will take all necessary steps in regards of all sorts of maintenance and cleaning of these toilets in future and will meet any objection raised against the proper use of these toilets. Considering the health and hygiene factors of all the students of our school such toilets are very urgently required.

In these circumstances, you are requested to take necessary steps to accept our prayer and do the needful in sanctioning toilets for our students for which I shall remain grateful to you.

Thanking you.

C.I.E. PHC.
20.11.25

Yours faithfully,

Sukanta Das
