Sub.: Prayer for construction of a new Toilet Block (Boys and Girls) at Bharat Scouts and Guides, West Bengal, Ganganagar Training Centre.

Respected Sir,

With due respect, I would like to bring to your kind attention the urgent necessity for construction of separate toilet facilities for boys and girls within the premises of Bharat Scouts and Guides, West Bengal at its Ganganagar Training Centre. Noteworthy to mention that the Ganganagar Training Centre is one and the best Training Centre throughout the State.

The Ganganagar Training Centre functions as an active training and camping hub throughout the year. Participants from various districts of West Bengal as well as from different parts of the country regularly attend Camps, Training Programs, Workshops and other Scouting and Guiding activities at this Centre. During such occasions, the Campsite remain fully occupied. Apart from the same, different youth organizations, schools also organize their Group Camps, get together and different activities all throughout the year

For reasons of inadequacies of separate toilet facilities, the participants are facing persistent problems particularly during large gatherings. The existing arrangements are insufficient to meet their basic needs

In such circumstances, we respectfully request you for construction of separate toilet facilities for boys and girls which will go a long way in your supporting the noble objectives of the Scouting movement.

We shall remain grateful for your such kind intervention, as always.

With Scouting Greetings,

Thanking you,
Yours faithfully,

Tito Deb
