Sub: No Objection Certificate for construction of Public Toilet in School premises.

Respected Sir,

I hope this letter finds you in good health. I offer my heartfelt gratitude for considering our school for grant of public toilet as it is very much essential towards providing a hygienic and comfortable environment and maintaining the highest standard of cleanliness and sanitation for the students of the school.

Our school is West Bengal Government Sponsored Co-Educational Institution and at present The S.I. of Schools, Rajganj West Circle is the Administrator of the school. Since the establishment of the school in 1971, the school is on Railway land lease measuring 0.762 acres under ward No.33 of S.M.C. with license fee being paid on annual basis and all cleared till date. There has been no objection from railways on any occasion in the past for carrying out civil construction for school development within the premises of the school.

I hereby inform you that The Administration of the school has No Objection for construction of Public Toilet on the specified land within the School premises.  
Looking forward to your kind consideration towards the betterment of the school,  
Thanking you,

Encl: Land lease license fee paid papers.

Yours faithfully.
