**Sub. : Prayer for construction of a New Community Toilet in Sree Sree Ramkrishna Ashram Premises
by the financial help of the Dept. of UD & MA Govt. of W.B.**

Respected Sir

I beg to draw your kind attention in the subject mentioned above with the hope that whole hearted cooperation will be available from your end.

Sree Sree Ramkrishna Ashram, Sainthia has its vast campus area where programs for various service activities like health check up, Free Home Treatment, Eye camp as well as Child Education etc. for the rural and local public are going to be taken up in very near future.

Considering the present pathetic situation of education, we have already started a Nursery cum Primary English Medium School with the intention to provide perfect standard and modern education to the children in a missionary spirit so that solid foundation of education for the children may be built up. We have also had the plan to extend hostel facilities to the distant students.

We have already got Financial Assistance for development of infrastructure of the school from the local M.L.A and M.P. But it may be a problem for a Community Toilet such a large number of children and to the public who are likely to assemble here during service camp and the various charitable programs.

The problem may be solved by constructing a New Community Toilet at Sree Sree Ramkrishna Ashram Premises by the financial help of the Dept. of Urban Development & Municipality Affairs Govt. of W.B.

We therefore appeal to your good self to extend all possible cooperation in the matter and accord necessary financial assistance from your development fund to overcome the problem of Toilet in the Ashram premises.

With kindest regards,

Yours faithfully

Swami Dhruvananda
